An Appeal Center specialist noted that IDS file on 09/27/2008 has not been considered.

Correction is now being made by the Examiner to cross out the information in the filed IDS. As indicated in previous office action mailed on 03/20/2007, page number 2, the information disclosure statements filed on 09/27/2006 has been placed in the application file, but the information referred to therein is not considered. Because this is a duplicate IDS of previous one filed on 11/26/2003, which the information referred to therein has already been considered.
